FOR IMMEDIATE RELEASE

U.S. 95 Thorncreek Road to Moscow breakfast meeting Tuesday (Feb. 8)

LEWISTON — A breakfast meeting to provide an update about the U.S. 95 Thorncreek to Moscow project will be held Tuesday (Feb. 8), the Idaho Transportation Department (ITD) announced.

Project staff will discuss the latest developments on the project and answer questions. Shelly Gilmore, who has contracted with ITD to perform wetlands studies for this project, will be the featured speaker.

Gilmore's work will provide information to ITD about wetlands and jurisdictional waters of the United States found within the project area, including wetland location, boundaries and function.

The breakfast meeting will be at the Mark IV Restaurant, 414 N Main St., in Moscow from 7 to 8 a.m. Meetings are held on the second Tuesday of each month at this time and location. This is the third breakfast meeting.

Coffee and light refreshment will be provided. Attendees are welcome to order breakfast at their own expense.

The U.S. 95 Thorncreek Road to Moscow Study, led by ITD, will determine an alignment for nearly 6.5 miles of U.S. 95 in Latah County. The study will result in an Environmental Impact Statement.

For more information about this project, stop by the information kiosk located in the Eastside Marketplace off the Troy Highway. The kiosk is staffed on Thursdays from 5:30 to 7:30 p.m. and on Saturdays from 11 a.m. to 1 p.m. Information about the project also can be found on the ITD Web site: www.itd.idaho.gov/GetInvolved/D2/ click on U.S. 95 Thorncreek Road to Moscow, Stage 1.
